TRAMIGO MCPTT-3

PROFESSIONAL ALL-IN-ONE SOLUTION

Tramigo MCPTT-3 is a professional communication solution that enables seamless team coordination, regardless of location. Designed for in-vehicle use, its wide 9-24V operating range ensures compatibility with both regular and heavy-duty vehicles. Enhanced safety is ensured through real-time GPS tracking, which allows for faster decision-making and improved efficiency.

MCPTT-3 WITH EMBEDDED CONNECTIVITY

Equipped with embedded SIM technology and operates seamlessly across 2G, 3G, 4G, and LTE-M networks, MCPTT-3 ensures the safest and most reliable connection available.

Tramigo multi-network connectivity ensures that your PTT device will always connect to the best network making the coverage better and stronger.
