2

ATTACHING THE ANTENNA

1. Align the bottom of the antenna and the screw-in base on the top of the PTT

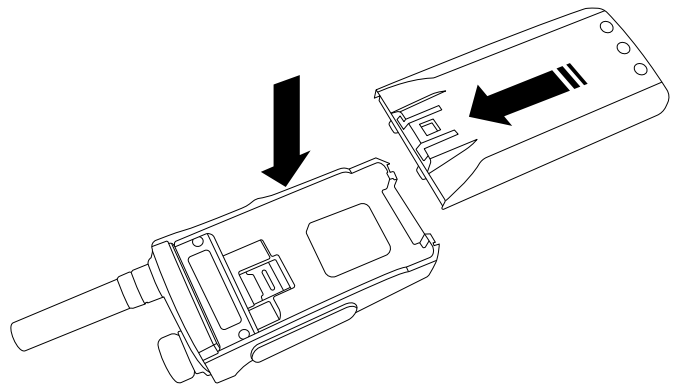

2. Turn clockwise until snug. Do not force

INSTALLING THE BATTERY

1. Insert the battery into the compartment.

2. Slide the battery towards the top of the PTT until it clicks

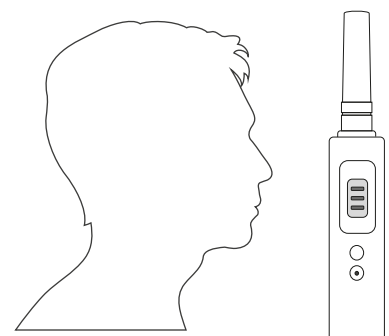

3

GETTING STARTED

Hold the PTT in a vertical position with the top microphone 5 to 10 centimeters away from your mouth.

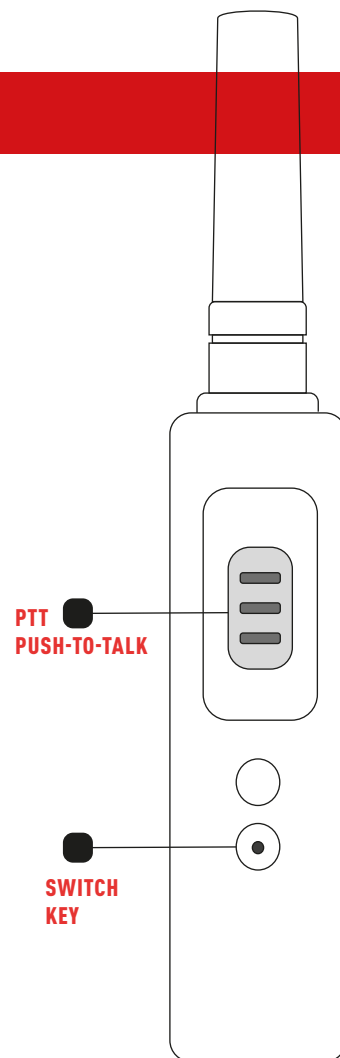

- Press the PTT button to initiate a call
- Speak into the top microphone
- Listen via the PTT internal speaker
- In a noisy environment, move the PTT closer for better transmission

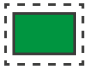

STARTING A ONE-TO-ONE CALL

This is a simple PTT session where just one caller and one recipient are involved in the conversation

1. At the main menu locate groups. Users are shown at the bottom rows as usernames
2. Press the switch key and you will be in the user's window
3. Use navigation keys  to scroll from groups to users
4. Press PTT button and select 1-1 icon to start one to one call with the recipient
5. Press the switch key again to go back to the group
